

NEWPORT NEWS PUBLIC SCHOOLS

Summer Program for Arts, Recreation and Knowledge

Newport News Public Schools' SPARK initiative earned first place in the National School Boards Association's Magna Awards Program. The awards recognize school districts taking bold and innovative steps in educating students.

SPARK, the Summer Program for Arts, Recreation and Knowledge, is a community-wide effort that provides access to extended learning opportunities. With a wealth of quality programming, no tuition costs, and meals and transportation provided, SPARK transforms the summer for Newport News students.
